Projects receiving grants from the Henry S. Varley Fund for Rural Life, Spring 2019

Camp Carmangay, \$10,000: The “Back to our Roots” initiative is a partnership between Camp Carmangay and the Kainai Reserve. It will be offered to youth from across the region who are at risk of addiction. Programming will include development of life skills and western horsemanship. This pilot program will operate from May to September 2019.

Carmangay & District Municipal Library, \$3,000: This grant supports the development of summer programming for the library, which will increase learning opportunities for Carmangay residents.

Livingstone Range School Division, \$16,000: In partnership with the Municipality of Crowsnest Pass, the “Learning for Life - Ready for Change” project will gather community stakeholders to identify existing learning experiences available in the Crowsnest Pass, determine overlap, and address gaps.

Milk River Historical Society, \$4,480: A partnership between the Milk River Historical Society, the University of Lethbridge’s Centre for Oral History and Tradition, and the Galt Museum & Archives, this project seeks to preserve local history through interviews with seniors in the Milk River area. Once completed, histories and interviews will be available to the public through the University of Lethbridge and the Galt Museum & Archives.
