

COVID-19 EMERGENCY SUPPORT TO COMMUNITY ORGANIZATIONS

Thanks to funding from the Government of Canada's Emergency Community Support Fund led by Employment and Social Development Canada, the Canadian Red Cross, Community Foundations of Canada and United Way Centraide Canada are supporting community organizations across the country as they deliver services to those who are most vulnerable to the health, social and economic impacts of COVID-19.

You can apply to **both** the Granting Program and the Personal Protective Equipment & Training Program.
 For grants, apply to the appropriate organization, using this chart as guidance.
